

Dutch Quilter's Lake Tahoe 2009 Spring Quilt Retreats

- WHAT:** A 5-day quilt retreat the week before Easter and a 4-day quilt retreat starting Monday after Easter. Each retreat offers a mystery quilt project that will be the theme of the retreat, a project with your choice of any of my patterns that use Hot Ribbon, and a fun, off-beat, surprise project. If you are ambitious, you can do all three! Some quilters opt to use the retreat to catch up on projects they take from home while spending time getting reacquainted with old friends and making new ones.
